

Cumberland County School District
Electronic Resources Student User Contract 2022-2023

Directions: Please read and complete the appropriate portions of the following contract. The signature of the student's parent/guardian is required for all students attending Cumberland County Schools to be granted Internet and/or email accounts and Infinite Campus Portal access. Please return the contract to the office of the school your child attends. This form will be kept on file in the school office.

STUDENT

I agree to use electronic resources provided by Cumberland County Schools for school related purposes only. I agree to be respectful of other users, properly care for school equipment, to follow proper guidelines for computer use safety and follow the District Acceptable Use Policy.

PARENT OR GUARDIAN

Prior to the student being granted independent access privileges, the following section must be completed for students under 18 years of age:

As the parent or legal guardian of the student (under 18) signing below, I grant permission for my child to access networked computer services such as electronic mail and the internet. I understand that this access is designed for educational purposes; however, I also recognized that some materials on the Internet may be objectionable, and I accept responsibility for guidance of Internet use by setting and conveying standards for my child to follow when selecting, sharing, researching, or exploring electronic information and media.

CONTENT FOR USE: By signing the attached form, you hereby accept and agree that your child's rights to use the electronic resources provided by the District and/or the Kentucky Department of Education (KDE) are subject to the terms and conditions set forth in District policy/procedure. Please also be advised that data stored in relation to such services is managed by the **District** pursuant to **policy 08.2323** and accompanying procedures. You also understand that the email address provided to your child can also be used to access other electronic services or technologies that may or may not be sponsored by the District, which provide features such as **online storage, online communications and collaborations, online "cloud" services and instant messaging**. Use of those services is subject to either standard consumer terms of use or a standard consent model. Data stored in those systems, where applicable, may be managed pursuant to the agreement between KDE and designated service providers or between the end user and the service provider. Before your child can use online services, he/she must accept the service agreement and, in certain cases, obtain your consent.
